

# *EAST END REGULATORS*

GAZETTE

May 2010

Regulators,

I've often said, that even when I stop Cowboy Shooting, I would still want to be a Regulator, just so I can go to the meetings.

This month's meeting was held at our Mayor's ranch, and hosted of course by Sheriff AB Dupree. There were 27 Cowboys and Cowgirls in attendance, I believe the most so far for any meeting. I enjoy these little get together's so much, it gives me a chance to sit and talk with just about everybody, and not have to worry about my duties, like I would at our shoots. Let's get to the food and drink part. AB and MK Coyote (our 1st and 2nd life Members) worked the grill, and grill they did. Stakes and Chicken on the barbie, salads, and for those of us who are in to eating fish raw, sushi (thanks to Ranger Brook Lyn). Curley bought his Chuck Wagon Pie, and I also helped myself to sliced tomato's and fresh mozzarella, delicious. Since there were no loaded firearms, at least that I know of, beer and wine were also plentiful. I'm not sure just when the meeting part started, and can't quite remember just what we went over, but you can read about that stuff online on our web-site.

The monthly meetings, as with any organization, are important. It gives all members the chance to voice their opinion, make suggestions, ask questions, and with that, know that you, the members, run the club.

I do remember that several members volunteered to host next month meeting, but Pistol Packin' Pete and his lovely wife Midnight Cowgirl, asked first. It still amazes me that the best part of Cowboy Shooting are the people. Whether it's shooting or just hanging out, I enjoy your company and your friendship, you are in every sense of the word, pardas, and until our paths cross again, I remain....

PS, a special thanks to Red Dawg McCoy for donating that fine horse to the club, happy now Waco?

Note: Mean Dallas will be laminating the horse before our next shoot.
